## WAYS TO IMPROVE RECEPTION

1. Turning the antenna at different angles and extending it to get the best signal.
2. Extending a wire outside a window to allow to wire to act as an antenna.

---

*"My sheep hear My voice, and I know them, and they follow Me. And I give them eternal life, and they shall never perish; neither shall anyone snatch them out of My hand."*

**John 10:27-28**
